

INTRO:

DADGBD
CAPO 4

Wise Blood

D A₅ A₅ S
 i turn another mile
 D A₅ S
 twisting in my seat
 B_m D
 in a perfect world
 G G/F# A
 i could not look behind me

to see who i had hurt
 and what i'd left behind
 all the details that i'd missed
 and all the treasures left unmined

D D/C# B_m D
 like the thief who returns what he steals
 B_m A₂ F₂ E_m A₇
 like the beggar who's handing out twenty-dollar bills
 G F# A/E G G/F# A
 like a river of love in flood
 D INTRO
 is wise blood

today my heart is aching
 in this land of the living
 there's not enough joy
 and there's never enough plenty

G G/F#
 all glory to him
 G/E G G/F# G/E G/F# G G/F# A
 who nurses not his grievances

just like the thief who returns what he steals
 like the beggar who's handing out twenty-dollar bills
 like a river of love in flood
 is wise blood....
