

INTRO: F₂ G₂ (x2) A₂ E

Richard

E
 he'd always stop and look at me
 E D E
 i swore he could see right through to my heart
 E
 i'd heard he was one of those "fanatics"
 always praying, always singing

A G
 but that's the way it was with Richard
 Bm G
 always smiling, always believing

D G
 it takes three to find a manger
 A G A Bm A
 and two to share a story
 D G
 but one to die for mercy
 Bm G A₂ E
 and life is given to me

you could say an empty vessel
 is worthless to a man
 E
 but in the hands of the sculptor,
 E F₂
 the art becomes the kneeling man

A G
 he knows something that i forgot
 Bm A
 and Richard is my reminder

D G
 it takes three to find a manger
 A G A Bm A
 and two to share a story
 D G
 but one to die for mercy
 Bm G A
 and life is given to me
 Bm G D G A G A Bm A G....
 life is given to me
